

Innovation

Weed brush

WKB 660 Honda

*Aggressive, user-friendly, chemical free -
weed removal as simple as that.*

Westermann weed brush WKB 660 Honda

No cleaning stripes on sensitive pavings.

Powerful Honda industrial engine is taking care of an equal and steady brushing power.

The windrow maker / splash back can be mounted toolless.

Weed removing up to the edges.

Extreme weedcover is eliminated efficiently.

Strong weed cover between the gaps.

Persuasive result after only one passage.

Mechanical weed removing as time-saving alternative.

THE HIGHLIGHT

The plants are attacked from all sides and removed with big rootpart.

Three rotating brush-carrier and the equal ground pressure prevent the floor from scratches.

Here you can see the video:

Durable, adjustable wire braids which can easily be replaced.

Height adjustable wheel suspension is adapting to the brush length, so that a permanent and steady brush contact is ensured.
